# # COMMITTED TO SKATEBOARDING

FALL 2015

Since 1999, CIRCA has remained committed to skateboarding- designing, developing and producing quality footwear for skateboarding by skateboarders. This Fall 2015 season we are proud to offer the long awaited and deserved Windsor James signature model the Essential, along with new collective models like the Lakota and Eisley. We've also explored new materials and technologies that are inspired by skateboarding. So sit back and enjoy what we have to offer this Fall '15 season and as always- thanks for your support!
